As the economical choice in Bruno's line of turning automotive seats, the Valet offers reliable performance to get you in and out of a higher vehicle with ease. Press a button and the seat power rotates, extends and lowers. Safe, comfortable, convenient -- the Valet helps you enjoy the ride from start to finish.

- Fully powered: rotates, extends, moves up/down
- One-button operation via hand-held control
- Scratch resistant easy-to-clean materials
- Multiple color choices in fabric or optional Ultraleather™ Plus
- Original seat is unmodified and easily reinstalled
- Safe: meets or exceeds applicable federal safety standards
- Manual backup system for peace of mind
- Eligible for auto maker manufacturer potential rebates*
- 3-year limited warranty
